CASE MANAGEMENT ORDER NO. 8

Regarding Plaintiff Profile Forms and Defendant Profile Forms

This Court hereby issues the following Case Management Order to govern the form, procedure, and schedule for the completion and service of Plaintiff Profile Forms (“PPF”), Defendant Profile Form (“DPF”) and other documents referenced therein.

I. Scope of this Order

This Order applies to all Plaintiffs and their counsel in: (a) all actions transferred to MDL 2846 by the Judicial Panel on Multidistrict Litigation (“JPML”) pursuant to its Order of August 2, 2018, including those cases subsequently transferred as tag-along actions; and (b) all related actions originally filed in or removed to this Court. The obligation to comply with this CMO and to provide a PPF shall fall solely to the individual counsel representing a Plaintiff. As with all case-specific discovery, the members of the PSC or PEC are not obligated to conduct case-specific discovery for Plaintiffs by whom they have not been individually retained.

II. Plaintiff Profile Forms

A. The PPF Form and Service

1. Each Plaintiff in an action in MDL 2846 shall complete and serve upon Defendants via email a completed PPF, the form of which has been agreed to by the parties and approved by the Court, which is attached hereto as Exhibit A, along with all duly executed authorizations for the release of relevant medical records, within 60 days after Defendants serve their Short Form Answer upon a Plaintiff.

2. For cases currently on file and served as of November 21, 2018, a completed PPF, the form of which has been agreed to by the parties and approved by the Court, which is attached hereto as Exhibit A, along with all duly executed authorizations for the release of relevant medical records, shall be served on or before December 19, 2018.

3. The completed PPF and the duly executed authorizations shall be served upon Defendants' counsel via email at: FederalBardService@ReedSmith.com. A copy of the PPF shall be sent to the PEC's designee at bardmdlppf@flaming-law.com.

B. Amendments

Each Plaintiff shall remain under a continuing duty to supplement the information provided in the PPF.

C. PPF Deficiency Dispute Resolution

1. Phase I: Deficiency Letter

a. If Defendants deem a PPF deficient, Defendants' counsel shall notify Plaintiff's attorney of record of the purported deficiencies via email and allow such Plaintiff an additional 30 days to correct the alleged deficiency. A courtesy copy of the email shall be sent to the PEC's designee at bardmdlppf@flaming-law.com.

b. Defendants shall identify the case name, docket number, the 30 day deadline date and include sufficient detail regarding the alleged deficiency(ies).

2. Phase II: Meet and Confer

Should a Plaintiff not respond to the deficiency letter within the time required, then Defendants may request a meet and confer. Defendants' counsel shall notify Plaintiff's attorney of record via email of the request to meet and confer and state that the meet and confer shall occur within 14 days. A courtesy copy of the email shall be sent to the PEC's designee at bardmdlppf@fleming-law.com. The parties' meet and confer period shall begin upon receipt of the email by Plaintiffs attorney of record and, absent agreement of the parties, shall be completed by the conclusion of the 14 days.

3. Phase III: Motion to Compel

a. Following the meet and confer period, should Plaintiff: (i) fail to cure the stated deficiency(ies); (ii) fail to assert objections to same; (iii) fail to respond to or participate in the meet and confer process; or (iv) otherwise fail to provide responses, and absent agreement of the parties to further extend the meet and confer period, at any time following expiration of the fourteen day meet and confer period, Defendants may then file a Motion to Compel the allegedly deficient discovery information via ECF, with a courtesy copy sent via email to Plaintiffs attorney of record and to the PEC's designee at bardmdlppf@fleming-law.com.

b. Any motion to compel pursuant to this CMO need not be noticed for presentment as required by Local Rule 7.1.

c. Any response to such a motion shall be filed and served within 14 days following the date of service. Any reply, if necessary, shall be filed within 7 days following the date of service of the opposition.

d. Absent an Order from the Court granting a request by either or both parties for oral argument, the Court will rule on such motions without hearing argument.

D. Failure to Serve a PPF

1. Each Plaintiff may request one extension of 30 days to serve a completed PPF, which Defendants shall not unreasonably withhold. Such requests must be made via email to Defendants' counsel before the expiration of the deadline, with a courtesy copy sent to the PEC's designee at bardmdlppf@fleming-law.com.

2. Phase I: Notice of Non-Compliance

a. Should any Plaintiff fail to serve a PPF within the time required in this CMO, Defendants shall send a Notice of Non-Compliance letter via email to that Plaintiff's attorney of record, with a courtesy copy to the PEC's designee at bardmdlppf@fleming-law.com.

b. Following the receipt of the Notice of Non-Compliance, the Plaintiff shall have 21 days to serve the PPF.

3. Phase II: Meet and Confer

Should a Plaintiff not respond to the Notice of Non-Compliance within the time required above, then the Defendants may request a meet and confer. Defendants' counsel shall notify Plaintiff's attorney of record via email of the request to meet and confer and state that the meet and confer shall occur within 14 days. A courtesy copy of the email shall be sent to the PEC's designee at bardmdlppf@fleming-law.com. The parties' meet and confer period shall begin upon receipt of the email by Plaintiff's attorney of record and, absent agreement of the parties, shall be completed by the conclusion of the 14 days.

4. Phase III: Motion to Compel

a. Should a Plaintiff fail to provide an executed PPF following the time period allowed above, Defendants may then move the Court for a motion to compel via ECF, with a courtesy copy sent via email to Plaintiff's attorney of record and to the PEC's designee at bardmdlppf@fleming-law.com.

b. Any motion to compel pursuant to this CMO need not be noticed for presentment as required by Local Rule 7.1.

c. Any response to such a motion shall be filed and served within 14 days following the date of service. Any reply, if necessary, shall be filed within 7 days following the date of service of the opposition.

d. Absent an Order from the Court granting a request by either or both parties for oral argument, the Court will rule on such motions without hearing argument.

III. Defendant Profile Forms

1. The parties are still meeting and conferring over the need for and possible format of a Defense Profile Form ("DPF").

IT IS SO ORDERED.
