Case No.: 3:24-md-03125-JO-VET

**CASE MANAGEMENT ORDER
NO. 8 GOVERNING DISCOVERY
PROCESS RELATING TO
PLAINTIFF PROFILE FORMS**

[ECF No. 565]

18 Before the Court is the Parties Joint Motion for Proposed Case Management Order
19 No.8-Discovery Process Relating to Plaintiff Profile Forms (“Joint Motion”). ECF No.
20 565. Good case appearing, the Court **GRANTS IN PART** the Joint Motion.¹

21 Case Management Order No. 6 (ECF No. 442) requires all Plaintiffs to complete
22 Plaintiff Profile Forms (“PPF”). This Order sets forth the process for addressing discovery
23 disputes relating to PPFs. To the extent Case Management Order No. 6 provides anything
24 to the contrary regarding discovery disputes relating to PPFs specifically, this Order
25 controls.
26
27

28 ¹ The Parties shall note the Court’s modification to the Parties’ proposed order.

1 Defendants shall have 30 days from service of a PPF to identify and provide notice
2 of any deficiencies in the PPF to counsel of record for the Plaintiff, with a copy to Plaintiffs'
3 Co-Lead Counsel. Plaintiff will have 21 days from Defendants' notice of deficiencies to
4 supplement and/or amend the PPF or otherwise cure the deficiency. If the deficiency is not
5 resolved within 21 days, Defendants will promptly notify Plaintiffs' Co-Lead Counsel of
6 the issue. If the deficiency is not resolved within 7 days of notifying Plaintiffs' Co-Lead
7 Counsel, the Parties will jointly contact the Court to request a discovery conference, or,
8 alternatively, if both Parties elect to do so, the Parties may submit a joint status report
9 regarding the pending discovery issues prior to the next status conference with Magistrate
10 Judge Torres.² The discovery issues will be addressed at the subsequent status conference
11 or a separate discovery conference, at the Court's discretion. **In no event shall the Parties**
12 **delay longer than 60 days (from service of a PPF) to raise discovery disputes relating**
13 **to PPFs with the Court.**

14 If a plaintiff does not submit a PPF within the time specified in Case Management
15 Order No. 6 (ECF No. 442), Defendants shall have 30 days from the date the PPF was due
16 to notify counsel of record and Plaintiffs' Co-Lead Counsel of their intention to seek
17 dismissal of the case. If a PPF is not served within 14 days of Defendants' notice,
18 Defendants will submit a list of all such cases to the Chambers of Magistrate Judge Torres
19 at least 7 days prior to the next status conference for further discussion, including whether
20 dismissal is appropriate. No further notice from Defendants is required.

21 **IT IS SO ORDERED.**

22 Dated: January 16, 2026

23 Hon. Valerie E. Torres
24 United States Magistrate Judge
25

26
27 ² The Parties will continue to meet and confer prior to a discovery conference with respect
28 to pending discovery disputes, except in situations where a plaintiff has failed to provide
required discovery and does not object to providing that discovery.
