75:01	Basically, she was wanting to talk to my wife		
75:02	because she was upset, too. You know, she said she		
75:03	tried calling her mom, but she couldn't get a hold		
75:04	of her mom. I told her to stay right there, not to		
75:05	move, not to talk to anybody. You know, like I		
75:06	said, calmed her down. Told her to call the police		
75:07	right now. I said I'm going to call her mom and get		
75:08	her mom to call her, you know, and basically sit		
75:09	there, you know, until the police comes, and my wife		
75:10	called her.
