1/25/2017	4:07 pm	5	Thank you for the trip home Hassan. It was an absolute pleasure riding with you! By the way, the fare jumped from 6.75 to 7.39 ... An increase of \$0.64. It is possible that surge pricing kicked in, or perhaps the driver app adjusted for a different route or time on the road. Let me know if you find out anything about this. Anyway, welcome to the world of Uberland. Best wishes, in your future travels. You are a fantastic person and make an excellent addition to the Uber team. Stay safe on the roads, and have a great day today! Dann :) [REDACTED]

He told me where he is from in Africa they dont have And I put on some Mac Miller and Xxxtentacion as well as some old school track by Heavy D & The Boyz from 1994 called Blue Funk and he loved it.
