1 HASAN TURAY: ...You left me on Thursday, saying I should call you  
2 back. This is Hasan Turay.

3 DETECTIVE: Oh, hey, Hasan. I think that voicemail is the one  
4 you had already called me back on.

5 HASAN TURAY: Oh.

6 DETECTIVE: Yeah.

7 HASAN TURAY: Okay.

8 DETECTIVE: No, you're good. I got the other voicemail you left  
9 also on... it was either a Sunday or Monday.

10 HASAN TURAY: Yeah.

11 DETECTIVE: Yeah. So, I got that one too.

12 HASAN TURAY: Okay.

13 DETECTIVE: All right. Do you have any questions for me?

14 HASAN TURAY: How is it going? Oh, you can't tell me anything.

15 DETECTIVE: I'm still investigating, yeah.

16 HASAN TURAY: Okay.

17 DETECTIVE: Do you have any new information?

18 HASAN TURAY: No. Let me see. No, not really...

19 DETECTIVE: Anything you would change?

20 HASAN TURAY: But I just... as far as like my...?

21 DETECTIVE: Your statement, yeah.

22 HASAN TURAY: No, I wouldn't think so.

23 DETECTIVE: Are you sure?

24 HASAN TURAY: I wouldn't think so. Yeah. It's like

25 [INDISCERNIBLE 00:01:23] the thing is I'm just like, you know, I'm

1 just, it's like my mind is in a whirl, because I've not been in this  
2 type of situation, and it is scary, you know, but I don't know, because  
3 I'm pretty sure the hotel would have cameras. You know, I'm pretty  
4 sure they would, and if you could just check, you know, things like  
5 that, like, you know, look on both sides of the equation, you know what  
6 I'm saying. So, you know, check like the hotel camera, you know, see  
7 if she was like stumbling or how she looked and things like that, you  
8 know and possibly even like, you know, how many drinks she had at  
9 wherever she went, you know? I don't know. Have you talked to the  
10 other guy as well?

11 DETECTIVE: Do you think there'd be any reason for her to make  
12 this up or lie about it?

13 HASAN TURAY: The only thing I could think of, and I'm not trying  
14 to malign anyone's character, but the only thing, honestly, that I  
15 could think of is maybe trying to get some money from Uber. I don't  
16 know, because I wouldn't say it would be against me personally, because  
17 we don't know each other. Like, we haven't met before that day. So, I  
18 wouldn't say it would be anything against me personally, you know. And  
19 are you able to tell me like the exact nature of the allegation, like  
20 what she's saying? Because I don't think you, you told me.

21 DETECTIVE: Okay. Yeah, no, I'm still looking into that that.  
22 The report is titled sexual assault. So, that's what I'm looking into  
23 just, you know, like you said, both sides of it.

24 HASAN TURAY: I know. I know. I know, but it can take like a  
25 lot of different forms, right, if she's saying she was passed out and I

1 assaulted her, if she's saying I forced her, you know what I'm saying?  
2 Like that's what I don't... I mean, I don't know if you're at liberty to  
3 tell me. I don't know.

4 DETECTIVE: Right. Now, do you believe that she would've said  
5 that she was passed out?

6 HASAN TURAY: Well, you did ask me, you know, how about how drunk  
7 she was and things like that. So, you know, I kind of thought, okay,  
8 because I'm wondering what was said to you. You see what I'm saying?

9 DETECTIVE: Yeah.

10 HASAN TURAY: So, yeah. So, that's what kind of made me wonder  
11 about that, you know, but, you know the timeline as well, but I don't  
12 believe... I wasn't like looking at my time or anything, but I don't  
13 believe we were parked at that location, the 1021st Street, I don't  
14 think we were parked over there for more than ten minutes. Definitely...  
15 you know... yeah, definitely

16 [00:05:00]

17 way under like 20 minutes, possibly even less, you know? So, if  
18 you know the exact time that I dropped her off at the hotel, and you  
19 know the exact time that I picked her up, that would kind of give you  
20 an idea of... you know what I'm saying, because we weren't there for  
21 like, for a long, long time.

22 DETECTIVE: Yeah.

23 DETECTIVE: You see what I'm saying? So, you know, I'm just, you  
24 know... I mean, I know this is your job, this is what you do, you know,  
25 but if you could just look at both sides, and, you know, kind of, you

1 know, that's why I was saying, you know, if you've talked to the other  
2 person, because I'm pretty sure he would have an idea of, okay, how  
3 many drinks they had, you know, and things like that. I don't know.

4 DETECTIVE: Yeah. Did she ever tell you that she was tired?

5 HASAN TURAY: She may have said that. I know she said she was...  
6 she said I'm really drunk right now. I think that's the first thing  
7 she said when she got in the Uber. She said I'm so drunk right now,  
8 and then, you know, she went on to talk about like, you know, having  
9 sex with this guy twice, and she threw up in his bathroom and things  
10 like that.

11 DETECTIVE: Okay. Now, you mentioned about being passed out, and  
12 you mentioned before that she had lied down in the back. Did she fall  
13 asleep?

14 HASAN TURAY: No. No, that's why I was saying if... I don't know  
15 if that light has cameras, you know, I don't know, because at one  
16 point, she did get up, kind of like, you know, like grabbed me between  
17 my legs. At one point she did that. I'm not sure if it was when we  
18 were at the light. So, that's why I was saying if that light has  
19 cameras, maybe you could get like a clearer picture, like of what was  
20 kind of going on.

21 DETECTIVE: Okay. So, you said she... how did she grab you again?

22 HASAN TURAY: In between my legs. Like, you know, kind of like  
23 to feel.

24 DETECTIVE: In between your legs?

25 HASAN TURAY: Yeah.

1           DETECTIVE: Okay, and at what point did that happen?

2           HASAN TURAY: When we were on the way to the parking spot. I'm  
3 almost sure it was at that light, or maybe shortly before or after  
4 that.

5           DETECTIVE: Okay.

6           HASAN TURAY: That light, when I turned off the freeway, I came  
7 up... it's like a bridge, and then I made a left, and then there's a  
8 light right there. That's why, you know, when I saw the address,  
9 because I didn't even know, like, if Apple Maps would show like the  
10 address from to this place, but I was just kind of looking at it, and  
11 then I saw. I'm like, oh, so this is the area, 1021st Street, you  
12 know? So, I don't know if you would be able to get any information  
13 from that, like any video, like, of the light. I don't know how these  
14 things work, you know, but yes. Around that time... yeah, if there's  
15 light, if sorry, if there's like cameras there, I'm pretty sure you  
16 would be able to see, like, you know, like a lot more. You know?

17           DETECTIVE: Okay. So, you're saying that she grabbed like your...  
18 between your legs before, right before you parked?

19           HASAN TURAY: Yeah.

20           DETECTIVE: Okay.

21           HASAN TURAY: Not right before, When I was probably around that  
22 light, either shortly before or shortly after, and then when I turned  
23 into... I made like a left at the light, and then there's like a big  
24 office building, some kind of like commercial structure, it looks like,  
25 or office building. So, that's to the right, and then... so, I drove up,

1 I went in there, parked in a parking spot, but there was like, it's  
2 just like, oh no, there's too many lights. I'm worried about like,  
3 okay, there's security there, you know, things like that. So, then I  
4 pull out here, I go around, because I

5 [00:10:00]

6 had seen like a neighborhood that looks like... around the back.  
7 So, I pulled out. I drive up, I make the first light, but then it  
8 takes me back to that parking lot. Like, the parking lot is huge. So,  
9 I pull out here and then I go around to this neighborhood, and all this  
10 time, like she's urging me like, hurry up, hurry up, hurry up. You see  
11 what I'm saying?

12 DETECTIVE: Yeah.

13 HASAN TURAY: So, that's why... yeah. So, that's why like, I kind  
14 of, you know, because thinking, looking back on it, it's like... you  
15 know, was this thing, like, planned. Was this, like, the intention all  
16 along? You see what I'm saying?

17 DETECTIVE: Yeah. [INDISCERNIBLE 00:10:44].

18 HASAN TURAY: So, I don't... yeah, I don't know, but that's what  
19 happened, and then we got to this, like, neighborhood. I parked, you  
20 know, and that's when we did it, you know, and even while we are like,  
21 while we're having sex... because okay. So, I kind of like feel her  
22 boobs, you know, and I attempt to like lift her shirt up, because she's  
23 wearing like a white shirt, and I attempt to lift it up, and she pulls  
24 it back down, you know what I'm saying, and I did notice something with  
25 like her nipple. It just looked like different. I don't really know

1           how to... like, maybe like a scar was on there, and I'm guessing that's  
2           what she didn't want me to see. So, you know, I lift her blouse up,  
3           she pulls it back down again. You know? Maybe like a minute later, I  
4           tried to do it again, and she pulls it back down. So, I know,  
5           definitely like, she had the ability to stop me from doing whatever she  
6           didn't want me to do or whatever she didn't feel comfortable, because  
7           she stopped me from like, you know, doing anything with her boobs.

8           [INDISCERNIBLE 00:12:19].

9           DETECTIVE: Okay. Now, what did she say... when she was doing  
10          that, what did she say?

11          HASAN TURAY: She didn't say nothing. She didn't say nothing. I  
12          didn't ask her, you know, why... you know what I'm saying? It's not like  
13          we're in a room somewhere, you know? This was just something like,  
14          okay. I need to hurry up and get out of there, because it's, I mean... I  
15          don't think it's legal to have sex in a car, whether it's consensual or  
16          not. You see what I'm saying? So, I'm trying to hurry up. So, I  
17          didn't like ask like, hey, you know, why don't... but I did notice  
18          something was off. It looked like, you know, like either she'd  
19          recently had a surgery, or it was like scarred or something. Something  
20          was off, and that's why I'm saying, again, if you have talked to the  
21          other guy, because if you talk, if you talk to him, like maybe there's  
22          things you can ask him, you know, which would maybe corroborate what  
23          I'm saying. Like for example, like, okay, like this girl said you had  
24          sex twice. You know, like, did you see her breast? Was she  
25          comfortable with that? You know, things like that. Maybe if you ask

1 him, you know, I don't know what he's going to say, but if he says  
2 like, oh, no, she didn't want me to see her boobs, I mean like, maybe  
3 that would kind of, you know, give a little bit of credence to what I'm  
4 saying. You see what I'm saying?

5 DETECTIVE: Okay. So, when she was doing that, you said she  
6 didn't say anything, but did she like try to push you off or anything  
7 like that?

8 HASAN TURAY: No, no. She just didn't want me to see the breast.  
9 That was it. She didn't want me to see the breast. Anyways, I did it  
10 twice

11 DETECTIVE: Okay, and because she... uh-huh?

12 HASAN TURAY: I did it the first time. She pulled it back down.  
13 I let go. I tried it a second time, you know, like a minute later.  
14 She did the same thing. She pulled it back down. You see what I'm  
15 saying? So, I know, for a fact, she had the ability to stop me at any  
16 time. You see what I'm saying? Yeah, detective, you know, like, help  
17 me out, please, you know?

18 [00:15:00]

19 If you talk to the other guy, he might be able to say something,  
20 might be able to give you some more information, just to, you know,  
21 just see both sides. That's all I'm asking.

22 DETECTIVE: Right, and so, what was she saying throughout the  
23 time that you guys were having sex?

1 HASAN TURAY: She was saying like, harder, you know, faster,  
2 like, you know, like just keeping me, you know, just that type of  
3 thing. Like, that's all it was.

4 DETECTIVE: Okay, and where did her underwear end up?

5 HASAN TURAY: Detective, I did not see any underwear. I didn't  
6 take off even her skirt either. I didn't take anything off. She was  
7 naked. She had those things off before we got to that spot, the 1021st  
8 Street, she had them off, and that's why I'm saying, if there's  
9 cameras, you could just look and see if there's cameras along that  
10 route. You would see that she had them off. I mean, I don't know if  
11 you would see, but maybe you would. Who knows? You see, but yeah.  
12 They were off. I didn't take them off, and I didn't put them back on.

13 DETECTIVE: Okay, so you're saying she put her clothes back on?

14 HASAN TURAY: Yeah, she put her skirt back on at least. You  
15 know, I don't know about the underwear. I don't know if she even had  
16 underwear, if she was wearing underwear, you know? I don't know.

17 DETECTIVE: Okay.

18 HASAN TURAY: Yeah. Detective, that's why I'm saying if you  
19 could please talk to the other guy.

20 DETECTIVE: Yeah, I mean that's going to be part of it,  
21 obviously. So, yeah.

22 HASAN TURAY: Okay. Yeah, if you could please talk to him,  
23 because he could even tell you whether she was wearing underwear or  
24 not. You know what I'm saying? Like, I didn't see any underwear. So,  
25 I have no idea. I know she didn't leave it in my car, you know? Yeah,

1 because I didn't see it. I didn't get a rider who came in after,  
2 because I worked until like 6:00 in the morning. You see what I'm  
3 saying? And that's why I was kind of like... as I'm thinking of all  
4 this, you know, that's why I was kind of thinking like, okay, did she  
5 say she was passed out, you know, because I'm kind of thinking, because  
6 I worked until 6:00 six in the morning. You know? So, I know that  
7 whatever report was made was made after that, because if she had made a  
8 report, I wouldn't have been working. You see what I'm saying? It was  
9 later in the day, I get this message from Uber, saying, hey, you have  
10 an investigation, and you can't work. Like, I was looking at my app,  
11 and that's the thing that I saw: unable to go online. You see what I'm  
12 saying? So, I knew I worked until at least 6:00 AM. You see what I'm  
13 saying? Yeah. So, it wasn't left in my car, you know? So, if you  
14 could please, please talk to this other guy, get information from him  
15 as well as to like how many drinks they had, you know, just things like  
16 that, where they went because, she said they went out, or they met  
17 somewhere, you know what I'm saying?

18 DETECTIVE: Yeah.

19 HASAN TURAY: So, I'm guessing maybe like a bar or a club, and  
20 most places these days have cameras, you know? So, if you could... like  
21 please, detective, okay? Like, just... that's all I'm asking, you know?  
22 Just look at both sides. I don't know. Like I said, I can't say this  
23 is personal against me, because I don't know her. She doesn't know me.  
24 We never met before that day, ever. So, I can't say it's personal, but  
25 the only thing I can think of, if this is a plan, maybe it has

1 something to do with Uber, you see? Because yeah, I don't know, but  
2 you know, that's why I'm saying please talk to the other guy, you know,  
3 maybe he can say something that would match with what I'm telling you,  
4 and then, you know, maybe you can just see, you know? Like,

5 [00:20:00]

6 because I don't know. I don't know the exact time I picked her  
7 up, because I never check things like that. Like, okay, you know, it's  
8 12:01, I'm picking up this rider. I never check things like that, but  
9 I know Uber would have the exact time that I picked her up, and I know  
10 the hotel most likely has cameras. So, you would be able to know, from  
11 those cameras, also the exact time that we arrived. You see what I'm  
12 saying?

13 DETECTIVE: Right. Yeah, okay. Well, I'm looking into that.  
14 So, yeah, I'll check that... I'm checking that as well.

15 HASAN TURAY: Okay.

16 DETECTIVE: All right, anything else you want to add, or you want  
17 to change or anything?

18 HASAN TURAY: No, if I think of something, detective, I will  
19 definitely give you a call, and I really appreciate you for, you know,  
20 taking my call. Thank you so much.

21 DETECTIVE: Okay. All right, Hasan, you have a good night.

22 HASAN TURAY: All right. Happy Thanksgiving.

23 DETECTIVE: You too, bye.

24 HASAN TURAY: Thank you. Bye.
