23:08	Q. When Uber onboarded Mr. Turay, it knew		
23:09	that his job might involve transporting women who		
23:10	are riding alone, intoxicated, late at night,		
23:11	right?		
23:12	A. I think it is a fact of the Uber		
23:13	platform that all sorts of rides are facilitated		
23:14	via the platform, including ones that meet the		
23:15	conditions you just mentioned.		
23:16	Q. Is that a yes?		
23:17	A. Yes.
