| DESIGNATION | SOURCE | DURATION | ID |
|---------------|---|----------|--------------------------------|
| 97:18 - 97:22 | Gregg, Elisa 2025-06-25 97:18 Q. And another kind of broad question, but do 97:19 you have any other information about the impact on 97:20 Ms. Dean's life from the alleged incidents of 97:21 November 15th, 2023, that we have not discussed 97:22 today? | 00:00:10 | GREGG-97_18-98 _5.1 |
| 97:24 - 98:05 | Gregg, Elisa 2025-06-25 97:24 THE WITNESS: Not that she's told me, but 97:25 just from my perspective, I've noticed a big shift 98:01 in her personality, just that she's been a lot more 98:02 anxious and kind of keeps things to herself and has 98:03 been a lot more timid and everything like that, but 98:04 nothing that she has directly told me. Just that's 98:05 been what I've observed. | 00:00:33 | GREGG-97_18-98 _5.2 |
