17: Q So when Scott called the Uber on
18: November 15th -- or the early morning of
19: November 15th, 2023, how were you feeling at that
20: time?
21: A Tired, out of it. I was drunk. I
22: remember I couldn't even walk straight to the car.

Page 00216

03: Q Okay. And you considered
04: yourself I think you said drunk or intoxicated when
05: you got into the Uber?
06: A Yes.

Page 00221

10: Q so after the
11: Uber driver got off the phone, then what do you
12: recall?
13: A He started driving and he asked me if that
14: was my boyfriend. Started making comments, asking
15: if we had sex, making comments about my body,

Page 00221

24: I was so tired. I kind of, like, laid
25: in the backseat. Like, it was like a bed because I

(continued page 00222)

222

01: didn't have my seat belt on, and I started, like,
02: dozing off.

Page 00222

21: Q And then what do you recall happening?
22: A He started driving. I could feel him kind
23: of circling the car a little bit, and then I
24: remember him just stopping and he hadn't looked at

25: me the whole time, and then he had just said, "I

(continued page 00223)

223

01: need to stop the car and Uber is going to charge you

02: for this." I didn't know what he meant by that, and

03: I just remember the car stopping, and he opened the

04: back door of the car, and just got on top of me and

05: held me down and then he started to rape me. But it

06: was -- it was pretty -- pretty fast. It's like I

07: didn't have enough time to process what was

08: happening.

Page 00223

18: I know he tried to perform

19: oral sex on me and I tried to push his head away,

20: and he, like, was just holding me down, but I know

21: he penetrated me with his penis.

Page 00223

25: A I remember I kept

(continued page 00224)

224

01: closing my legs and he just pried them open and held

02: my legs down, but it's like I tried to fight him

03: off. I just couldn't

Page 00226

15: Q . And do you recall

16: about how long you thought it went on?

17: A It felt pretty fast.

Page 00226

23: Q And then what happened after that?

24: A I just remember I was still in there, and

25: he went to the driver's side, and he drove off to

(continued page 00227)

227

01: the hotel and we sped off.

02: Q And when he got out of the backseat, what

03: did you do?

04: A I just laid there. I didn't know what to

05: do. I think I was just frozen.

06: Q Had he removed your -- any of your

07: clothing?

08: A I know my skirt and my underwear.

09: Q He took them off?

10: A Yes.

11: Q When he got out of the backseat, where

12: were your underwear and skirt, if you can recall?

13: A I don't remember. I think on my ankles

14: and I just pulled them up.
