I am raging again.... we are OK with SRAD which literally labels someone higher risk because their phone is not fully charged but no OK with WRP? The insanity must stop.

- **Brittany Anthony**, 2021-03-01 15:28:58

lolol

- **Brittany Anthony**, 2021-03-01 15:29:06

i know

- **Jodi Kawada Page**, 2021-03-01 15:48:12

What congressman would not want their daughter to use this feature if she was planning to drive for Uber?

- **Brittany Anthony**, 2021-03-01 15:48:32

now i'm going back and forth with scott on slack

- **Jodi Kawada Page**, 2021-03-01 15:48:40

Plus all of a sudden we're concerned about fraud with this feature when we have brazilian rings all over the country bypassing our processes.

- **Jodi Kawada Page**, 2021-03-01 15:49:20

Ask him what the ACTUAL legal issues are. Like WHO is going to sue us - specifically...

- **Jodi Kawada Page**, 2021-03-01 15:49:32

Perception issues = not his job

- **Jodi Kawada Page**, 2021-03-01 15:52:19

How can we dismiss legal realities if we don't know what they are?

- **Brittany Anthony**, 2021-03-01 15:52:34

i mean, that's what i was trying to get at

- **Jodi Kawada Page**, 2021-03-01 15:52:57

He's just dug in

- **Jodi Kawada Page**, 2021-03-01 15:52:58

you can tell

- **Brittany Anthony**, 2021-03-01 15:53:04

his team never made us aware of any significant legal issues beyond the high-risk states

- **Brittany Anthony**, 2021-03-01 15:53:29

and CERTAINLY no federal concerns

- **Brittany Anthony**, 2021-03-01 15:53:31

until now

- **Jodi Kawada Page**, 2021-03-01 15:55:00

Also legal issues seem to miraculously go away once our competitors announce things (eg mandatory education)

- **Brittany Anthony**, 2021-03-01 15:58:48

exactly

- **Brittany Anthony**, 2021-03-01 15:59:08

and now scott is pushing back that the &quot;PR issues&quot; tony raises aren't legal issues

- **Brittany Anthony**, 2021-03-01 15:59:23

bc &quot;they can turn into lawsuits&quot; from ACLU or HRC

- **Andrew Hasbun**, 2021-03-01 15:59:35

also, how is this any different than someone going to a massage place and requesting a male vs female, etc.

- **Brittany Anthony**, 2021-03-01 16:00:02

and i'm like THAT'S OUR JOB TO NUETRALIZE THEM!!! And i am going to be damn good at it

- **Jodi Kawada Page**, 2021-03-01 16:05:14

Hahaha

- **Jodi Kawada Page**, 2021-03-01 16:05:36

Right - it's OPT IN...it's a choice...

- **Jodi Kawada Page**, 2021-03-01 16:05:57

With the restaurant thing we automatically gave one group of restaurants a benefit that we didn't give others

- **Brittany Anthony**, 2021-03-01 16:06:24

i literally just said that to scott

- **Brittany Anthony**, 2021-03-01 16:06:27

scott

- **Jodi Kawada Page**, 2021-03-01 16:08:57

What about all girls schools?

- **Andrew Hasbun**, 2021-03-01 16:09:14

But nobody is being denied the service

- **Andrew Hasbun**, 2021-03-01 16:09:27

They still get the same exact service but maybe with a man or a woman

- **Jodi Kawada Page**, 2021-03-01 16:10:00

Brittany - what are the stats on the percentage of men vs women being the perpetrator in SAs?

- **Brittany Anthony**, 2021-03-01 16:10:57

depends on what study you go with. but the general stat is 90% the perp is a male

- **Brittany Anthony**, 2021-03-01 16:11:12

don't quote me on that, i'd have to pull the actual source

- **Brittany Anthony**, 2021-03-01 16:11:30

but that's around the number most agree to
