50:13	Q. (By Ms. Clement:) Did Ms.~Dean		
50:14	ever appear depressed to you during her first		
50:15	semester of college?		
50:16	A. Yes.		
50:17	Q. How did she appear depressed to you during		
50:18	her first semester of college?		
50:19	A. As the semester went on she spent a lot		
50:20	more time with her boyfriend in his dorm room.		
50:21	Instead of in her own dorm room. We felt -- when I		
50:22	would go over there she was -- Ms. Alecia Gregg's		
50:23	roommate, I would go over and her room would not be		
50:24	cleaned and she had not been responding to my texts		
50:25	as often. And I knew the signs that something was		
51:01	wrong and I sensed it was her being depressed.
