191:01	Q. (BY MS. BLAKE) Do you recall whether you		
191:02	looked into what, if any, safety features that Uber		
191:03	had available when you downloaded the app?		
191:04	A. No. Whenever I had the app, I think it,		
191:05	like, did a little walk-through and it told me about		
191:06	what it had. I believe, like, if your ride stops,		
191:07	it will have a pop-up. I kind of just always heard		
191:08	that, you know, it was, like, it was safe, like, if		
191:09	you've been drinking, if you've been going out or		
191:10	you don't have a ride. I didn't really do my own		
191:11	research. Just what I heard and what I had seen.		
191:12	Q. Do you recall where you had heard or seen		
191:13	these things that you're referencing about Uber?		
191:14	A. Like TikTok and friends. I went to		
191:15	college and so people used it pretty frequently		
191:16	there if they had been drinking.		
191:17	Q. You mentioned the pop-up that Uber sends		
191:18	if you stopped. Were you aware of any other safety		
191:19	features that Uber had when you first downloaded the		
191:20	app?		
191:21	A. No. Just that you can make reports if you		
191:22	wanted to, but no other safety features.
