72:04	Q. Okay. What would you -- what other		
72:05	information do you have?		
72:06	A. Post breakup with Ryan, Jaylyn and I		
72:07	became very close again. That's when she had moved		
72:08	to Kansas. We had not spoken often. We were back		
72:09	to speaking almost every single day. We had been		
72:10	making plans to see each other and then post		
72:11	November of 2023, Jaylyn was very distant. I very		
72:12	rarely heard from her. I would send multiple		
72:13	messages in a row for days on end before hearing a		
72:14	response. She stopped showing up to plans unless it		
72:15	was small intimate gatherings of just us girls or a		
72:16	couple of our most trusted guy friends, things such		
72:17	as that. I still have noticed, she, to this day		
72:18	will randomly cancel on plans the day of, the day		
72:19	before. No explanation given, just an apology and		
72:20	that she can't make it and this has been ongoing		
72:21	since November of 2023.
