110:09 - 111:16	<b>Ramos, Olajuwon 2025-06-26</b>	00:01:29	<b>0_RAMOS-11009V</b>
110:09	Q. (BY MS. CLEMENT) Switching gears as we		<b>2.1</b>
110:10	wrap up, do you have any other information about		
110:11	what happened on November 15th, 2023, that we have		
110:12	not discussed today?		
110:13	A. Like I said, as far as I know, I know,		
110:14	like I said, she was assaulted, you know. She was		
110:15	very distraught. Like I say, even now I know she		
110:16	struggles with a lot of stuff, you know, as far as		
110:17	not being able to sleep in her room without a light		
110:18	on, not being able to sleep without three doors		
110:19	being closed. We can't walk into her room, you		
110:20	know, without her being nervous that somebody's		
110:21	coming in her room. You know, we have to announce		
110:22	ourselves, you know. Like, it's changed her in the		
110:23	worst way. You know, she -- she is a fighter and,		
110:24	you know, we've always tried to talk to her about		
110:25	being strong and being responsible, and I know she		
111:01	is responsible. She's very smart, she's very		
111:02	beautiful, you know, and I always want what's best		
111:03	for my daughter, and I hate that my daughter have to		
111:04	go through this. You know, it sucks. She was		
111:05	trying to be responsible. She was trying to do what		
111:06	she felt was right, and due to these circumstances,		
111:07	it changed her life forever, you know. This is not		
111:08	something that she wants to go through. It's not		
111:09	something that I feel like any woman or any girl or		
111:10	anybody should have to deal with. So it sucks that,		
111:11	you know, this is something that she has to deal		
111:12	with for the rest of her life, and I'm very proud of		
111:13	the woman that she's becoming because she is trying		
111:14	to stand up for herself, and she was nervous and she		
111:15	still is nervous a lot of the time, but I know that		
111:16	she keeps on fighting, and that's what I tell her.		
112:02 - 113:18	<b>Ramos, Olajuwon 2025-06-26</b>	00:02:01	<b>0_RAMOS-11009V</b>
112:02	Q. You mentioned that Jaylynn Dean now has		<b>2.3</b>
112:03	trouble sleeping without a light on. Are you aware		
112:04	of her having trouble sleeping without a light on		
112:05	prior to November 15th?		
112:06	A. She didn't need a light on. She -- she

DESIGNATION	SOURCE	DURATION	ID
112:07	was fine, you know. Like, now, you know, she sleeps		
112:08	with her closet light on. Like I said, she has		
112:09	three -- three doors in her room, which she locks		
112:10	all three of them, and, you know, I didn't		
112:11	understand it because one of them was to the		
112:12	bathroom, but she gets nervous because she hears,		
112:13	like, my son. He might try to go in there and use		
112:14	the restroom and she does get nervous. And he		
112:15	knows, like, he has to announce himself to let her		
112:16	know, like, "Hey, it's me, it's Devin. You know,		
112:17	I'm using the bathroom," you know, because she is		
112:18	scared, she is nervous, and I hate that she has to		
112:19	feel that way. I hate that she has to, you know, go		
112:20	through these things, you know. She hates -- you		
112:21	know, a lot of times, especially when she first came		
112:22	back, she didn't want to be by herself. She was,		
112:23	you know, an adult sleeping in my bed with my wife		
112:24	because she didn't want to be by herself. She		
112:25	didn't feel comfortable to be by herself. You,		
113:01	know, it sucks that she has to go through that. It		
113:02	sucks that she has to go through the situation that		
113:03	she has to go through, and, like I said, I just		
113:04	wouldn't wish this on anybody. I wouldn't wish this		
113:05	on anybody to have to go through what she's had to		
113:06	go through and what she continues to go through, and		
113:07	I know she struggles, and everybody has their ups		
113:08	and their downs, but with her, you know, it's, like		
113:09	I said, I'm very proud of, you know, what she's done		
113:10	with her life, and she's not trying to let this hold		
113:11	her back, but I know in certain situations it does		
113:12	bother her. She does think, you know, like,		
113:13	sometimes, like, this was her fault because she was		
113:14	trying to be responsible, and she -- it really		
113:15	isn't.		
113:16	Q. Are you aware of any other changes in		
113:17	Jaylynn besides her sleeping with her light on since		
113:18	November 15th, 2023?		
113:20 - 114:11	<b>Ramos, Olajuwon 2025-06-26</b>	00:00:47	<b>0_RAMOS-11009V</b>
113:20	THE WITNESS: Yes. Yes.		<b>2.2</b>
113:21	Q. (BY MS. CLEMENT) What are those changes?		

**0\_RAMOS-11009V2**

DESIGNATION	SOURCE	DURATION	ID
113:22	A. I mean, just her -- her body language, you		
113:23	know. I, you know, have to go change her oil for		
113:24	her. You know, like I have to do -- she doesn't		
113:25	like doing -- if she thinks that it's, you know, a		
114:01	man that's going to be there by herself, she doesn't		
114:02	like doing those things by herself with just a man		
114:03	by herself anymore. You know, she -- before, you		
114:04	know, she could be open to say, "Hey, I can go to		
114:05	Walmart and, you know, talk to the service guy to		
114:06	get my oil changed," but now, you know, she needs me		
114:07	to do those things for her because she just doesn't		
114:08	feel comfortable with him and I don't blame her.		
114:09	Q. And prior to November 15th, 2023, were		
114:10	those things that Jaylynn would do herself?		
114:11	A. Yes.
