**TO ALL PARTIES AND COUNSEL OF RECORD:**

The Court held a further case management conference in the above-captioned matter on April 23, 2025. This order memorializes and expands upon the deadlines set and findings made by the Court during that conference.

**I. BELLWETHERS**

The parties agreed to the following process to identify their recommendations for the Court bellwether trial pools (under CMOs 10, 17, and 18). By no later than May 23, 2025 at 12:00 p.m.:

The plaintiff and defendant sides will each identify to the other one case that they wish to strike from the bellwether trial pool before submitting a proposal to the Court. On May 23, 2025, the parties shall submit a letter brief discussing the remaining proposed bellwether cases. Each submission will identify two cases to which the side objects for inclusion in the bellwether trial pool and the basis for the objection. The letter-briefing may be single-spaced and is limited to **8 pages** per side for the personal injury cases and **10 pages** per side for the school district cases. The parties' briefing need not address the sequencing of the anticipated trials.
